LAST FRIDAY

President Kevin Heitz rang the bell to start the meeting. Skip Nelson, Mike Ludvigsen, Ginny Fanning and Kurt Gwillim provided the greetings. Wally Jamison invoked. David Atkins was the song leader for the first time. Sharon Zuiderveld accompanied on piano.

Kevin reported that Rob Stampf recently received a new knee and is doing well. This Friday is the Valentine Day Dance. The Ferris wheel committee is meeting soon someday, somewhere in the early evening. Lori Hall requested that all members check the proof copy for the new directory.

Tom Harts was a guest of Lori Hall. Linda Daniels and Anne Marie Fuhrig were guests of Wolf Fuhrig. Fred Clinton brought Mike Niehaus and Mark Morris as guests.

In another first time appearance, Kristen Heaton led Recognitions. Tom Luber and Paul White acted as Sergeant at Arms. Lisa Patton gave us the sad news that Robin is leaving the hotel and taking a job in Springfield. In another shot to the solar plexus Amanda Deady announced she will be moving to California soon. Her fiancé has a job out there. Jason McDowell delivered the most crushing blow of all. He told us that Craig Albers is staying. Tiffany had spinning schedules from the Y available. She also reminded us what the duties of the Sergeant at Arms are.

The program was given by Wolf Fuhrig. Wolf told us about the area in India where John Power currently is visiting as part of a GSE team. Wolf visited that same area in the '70's as part of another GSE team.

Libby Gaige drew unsuccessfully for the 50/50.
