Loreli Steuer presented our program on Lincoln's bicentennial celebration in Jacksonville and the reading month. One of the things she mentioned was the Jacksonville can really brag about our arts and educations. The committee received a 50k grant. With that grant they plan to give every student in k-12 a book about Lincoln.

- K-2-"Abe Lincoln-The Boy Who Loved Books"
- 3-6-"Lincoln from A-Z"
- 7-8-"Don't Know Much About Abraham Lincoln"
- 9-12-"America's 16th President Abraham Lincoln"

Teaches will add these books into the class curriculum and there will be contest for reading, writing, arts and also a quiz bowl.

Todd Evans drew unsuccessfully for the 50/50 drawing.

The four way test was recited and the meeting was adjourned.
