LAST FRIDAY MARCH 21 Tiffany Warmowski

President Mike Schneider called the March 21st meeting of the Jacksonville Rotary Club to order at noon at Hamilton's 110 North East. Michael Ludvigsen, Kelly Gross, David Fisher and Tiffany Warmowski served as greeters. David Atkins invoked and was the song leader. Tiffany Warmowski took the minutes.

Announcements included the following: Mike Schneider read a note e-mailed from Kurt Gwillam praising our club on the fantastic 90th Anniversary Celebration we hosted Tuesday. Mike also recognized the planning committee and chair Diana Olinger - who also thanked her committee and all who helped Tuesday. Keith Lape stood and talked about the significance of having Wilf and his wife, Joan here. He also mentioned that he forgot to introduce Mike's wife, Pat. Keith presented Mike with a golden Rotary scarf to give to his wife, as a gift from Wilf - as well as a golden Rotary tie to Mike. Mike said his wife didn't know she was missed, and not to tell her.

Announcements: Todd Evans reminded everyone about the Rotary baseball game in May. Tiffany said that Vivi and Erik need a ride to Peoria for RYLA next weekend. Dave Fisher asked for volunteers to help him judge the poster/essay contest Monday at the Library. Show up between 5:30-6p.

Guests: Dave Fisher brought Micki Privett, of National City Bank. Bob Foulk brought his wife, Jan. And, of course, our exchange student, Viviana was present

Todd Evans did recognitions and rotations were: Helen Kuhn told us Erik had been accepted at a Washington University and had been offered a scholarship. Gerry Osborn announced a music program planned at MacMurray and told Todd he had asked his wife to move graduation to another day so he could attend the Rotary ball game, but she turned him down. Bob Foulk mentioned his children and grandchildren were coming into town. Sharon told us that the library had received 2 grants, one from the state as well as a Rotary grant. The Rotary grant will bring Curious George to Franklin school and give the students there books - as well as appearing at the library to give books out there, as well. She also said that, as she was not able to join us Tuesday for our festivities, she had to be in Chicago - and took the opportunity to tour the Rotary Headquarters in Evanston. Cathy Jo Littleton-Wahl thanked everyone who makes her father feel welcome each time he visits - as she wants to use the fact that he likes our club as a "selling point" in her attempt to urge them

to move closer. She also said that the speaker at her father's club this week didn't show up, so her father had a chance to talk about Tuesday's festivities to his group.

The program: Diana Olinger introduced Dr. Marshall Hale. He talked about the pandemic flu, what Morgan County is doing to prepare for this outbreak and what we can do to prevent getting it and spreading it. The flu bug can travel 3 feet when someone coughs, can live on a surface between 2-7 days, and is not airborne. When the pandemic flu gets here, be sure to follow the directions of the authorities to keep it from spreading. And wash your hands!

Mickey picked out Fred Osburn's 50/50 ticket, but he didn't get the ace of spades. The club was very disappointed. Mike reminded us of the social next Friday at Todd Evan's house.

We recited the 4-Way test and the meeting was adjourned.

See you at Rotary This Friday - Bring a Guest
