Rotary Last Friday April 8

The Noon Rotary Club regular meeting was held Friday April 8 at Hamilton's with Kurt Gwillim presiding. Greeters were Shawn McCombs and Kevin Heitz. Sergeant At Arms were Richard Johnson and Diana Olinger. The Pledge of Allegiance was recited, followed by singing of one verse of America. The Invocation was given by Tom Atkins.

Workers for the Bass Tournament were reminded to check the schedule. Jacksonville Symphony thanked all who served as ushers at the Youth Concert. The Ferris wheel will be used May 9th by the Boy Scout Troop .The Franklin Teacher recognition luncheon is April 22nd. Diapers to Backpacks will be April 23rd. Toni Long led the club in songs with the accompaniment of Sharon Zuiderveld. Recognitions were led by Ron Tendick.

PAUL HARRIS FELLOWS: Two new Paul Harris Fellows were presented by Fred Osburn and Keith Lape. The first went to **Helen Downey**, who will be leaving this coming weekend as leader of our District GSE team. The second went to longtime physician and community leader **Dr. E. C. Bone**. Dr. Bone then presented the program on changes he has seen during his many years of service in Jacksonville, this included his relating several interesting and humorous experiences.

New member Patricia Anderson was welcomed. Patty continues a tradition as her father is Robert Caldwell, longtime member and Past District Governor, and grandfather H.L. Caldwell was also a leading Rotarian. We were glad that Bob and Jo were able to attend last Friday. Presentation and discussion on possible casino night project (or as they say "charitable games"). It was left that the committee will do some more planning and come back to the club. Looking at developing this into a separate event rather than part of the 4th of July. This will give us enough time to get everything organized properly. If you have any thoughts or comments the officers and board want to hear from you. If you are interested in getting involved with the committee in planning they are looking for volunteers.
