4TH OF JULY The direction on the 4th was clear with the overwhelming majority favoring doing just the parade and Ferris wheel. Thanks for everyone's input!

***Todd Evans* REPORT FROM LAST FRIDAY**

President Trent Cain rang the bell to open the meeting. Greeters were Lori Hall, Shawn McCombs and Dick Rawlings. Rob Stampf invoked and led us in song. He was accompanied by John Kay on piano.

The club voted on the two different Fourth of July proposals and the parade only proposal won in a landslide. The other proposal was to have the club sponsor different activities (and supply the people power). Other announcements had Ray Phipps trying to find volunteers to run the Ferris wheel. Todd Evans told those in attendance that we are in need of a first host family for our German exchange student arriving this August. The last announcement is good news, bad news item. The good news is Trent has found a new job. The bad news is it is in Springfield. Therefore, he is resigning as President and is turning over the reigns to Kevin Heitz.

Harold Gates from Sunrise Rotary was there and he announced the Sunrise golf outing is coming up. Kristen Heaton was inducted as a new member. Amanda Deady is Kristen's sponsor. Craig Albers led recognitions.

Tibor Machan gave the program. He is a syndicated columnist. His columns appear on Tuesday in the Journal-Courier. He spoke of what it means to be a Libertarian and his views on living in this country as compared to others. He said the main job of government is to secure the rights we have.

See you at Rotary This Friday - Bring a Guest
