FERRIS WHEEL

Noel Beard reported on the Ferris wheel plans for the season, we will have to do background checks on all workers, Noel had a list and was asking for those who are interested so we can get started on this. Please check with Noel. Probably won't be ready to open up until later in June. This year marks the 50th anniversary of our club running the local Ferris wheel. It was in May o f 1958 when our club had the wheel set up at Nichols Park and opened for the first season. Thanks to Noel for coordinating Ferris wheel project.
