ROTARY LAST FRIDAY Todd Evans

Kevin Heitz, President of the Noon Rotary, led things off with a ringing of the bell. Greetings were handled by Bob Leach and Don Snyder. Cathy Littleton-Wahl provided the invoking and Fred Clinton followed up as song leader and was accompanied by Sharon Zuiderveld. Noel Beard needed some slots filled on the Ferris wheel schedule. Skip Nelson thanked those who helped with the parade. The club is working the Fair Gate this Thursday. The District Governor will be making his official visit to the club this Friday, 7/14.

Reg Ankrom, a Pittsfield Rotarian, came as a visitor. Dick Rawlings invited Bob Johnson to attend as well. April Veness, a former Jacksonville citizen, came as a guest of Ed Ecker. She is a professor at the University of Delaware. She is on the receiving end of Rotary Foundation money and explained to us how much it helps. Jan Williams, wife of Tony, came as a guest of Kevin Heitz. Devon Davidsmeyer was a guest of Tom Atkins. Glenn and Diana Olinger brought three of their grandkids.

Recognitions were led by Jake Love. Lori Hall and Lynne Pennel were Sergeant-at-Arms. Sharon Zuiderveld marveled at the newly painted door at the library and also showed us new bags and t-shirts the library is selling. Dick Rawlings has a new grandbaby. Ed Ecker's grandson's baseball team won the championship. The coach of the team was Tim Ruppel and the other team was coached by Greg Hillis.

The program was Reg Ankrom talking about the new Ethanol plant being built near Waverly. Reg's group is looking to develop three plants, Waverly, Waterloo, IL and Danville. When at capacity the plant will produce 150 million gallons of Ethanol a year and use 50 million bushels of corn.
