"Strive for 25" New Members Campaign 07-08

"Qualified candidates for Rotary membership are adults of good character and good business and professional reputation, who hold or have held an executive position with discretionary authority in any worthy and recognized business or profession." Candidates should be interested in being involved in our projects and be able to attend regularly on Fridays. We are particularly looking for younger prospects.

We are asking each Rotarian to be a part in bringing in at least one member this year!

1. Review those you know at work, family and close friends, neighbors, people you do business with, church, other organizations, etc.
2. Propose someone for membership- give names of those who you can contact and propose.
3. Suggest names - names of those who might be prospects that someone else needs to contact
4. Names of someone under 30
5. Would you be willing to assist the membership committee in making contacts?
6. Would you be a mentor for a new member?

We need every Rotarians help this year in our recruitment efforts.

Contact Rick Mogler with your names

THANKS!

THANKS to all Rotarians who helped with JHS Concession Stand, Youth Exchange Overnight, Franklin School, Ferris wheel this summer, and those on the various club committees and projects.

See you at Rotary This Friday - Bring a Guest
