ROTARY LAST FRIDAY

President Kevin Heitz rang the bell to begin the meeting on October 20, 2006. Tony Williams, Lori Hall and Fred Clinton provided the greetings. Bob Foulk invoked. Fred Clinton led singing accompanied by John Kay on the piano.

Kevin Heitz started by congratulating the Cardinals on making it to the World Series. As a Cub fan, he said it was nice to see good baseball being played for once. Fred Clinton announced the Western Illinois Youth Camp is hosting a Haunted Trail on 10/27 and 10/28. To volunteer, contact Fred. Ray Phipps announced for Cathy Denney that Denney Jewelers is showing archeological artifacts on 10/26 in their store in Springfield. Our float received third place in the community organization category in the MacMurray Homecoming parade.

Nancy Burdick came as a guest of Jan Williams. Jolene Dixon was a guest of Brian Ganz. Mike Schneider brought Scott Adams. Our lovely German exchange student, Esther Henning attended as well. Jolene and Scott need to attend orientation and then they will become members.

Recognitions were led by Jean Jumper. Bob Linde informed us that Keith Toby was one of the original architects of the Ferris wheel float. Diana Olinger let us know Amanda Deady is engaged! Brian Ganz announced that Libby Gaige works with him at Big Brother/Big Sister. Craig Albers announced an art collection owned by AG Edwards is on display at the Strawn Art Gallery. Tiffany Warmowski thanked Alban Haxhinasto for taking care of her bird while she was out of the country.

The program was an ensemble of Rotary members who have been or are involved with the United Way board. It was an entertaining way to point out the many programs the United Way supports in our area and how the club's donation in particular helps to meet that need.
